- If you are travelling on a non-refundable ticket, Air Canada will be unable to make exceptions in the event of an unexpected trip cancellation or medical emergency. We recommend the purchase of travel insurance.
- Seat selection charges are per passenger and apply to each individual one-way flight segment in your itinerary. Flight segments are identified by a change in flight number, with each new flight number representing a flight segment. Taxes are not included.
- Please note that you may be moved from your selected seat without notice in the event of an involuntary schedule or airport change (e.g. flight disruption, cancellation), to accommodate a passenger with a disability, or for any other reason that requires Air Canada to move you prior to departure or during the flight. If you are moved from your seat for one of these reasons, you may request a refund for your seat charges. We invite you to read additional terms and conditions related to seat selection

Important Travel Information

Please take the time to read the following helpful information prior to your flight:

- Entry Requirements:** Entry to another country may be refused even if the required information and travel documents are complete. Due to enhanced security measures globally, many countries have increased entry requirements to include photographs, fingerprints, retinal scans and/or DNA samples upon arrival. Please contact the closest Consular representative to validate the specific requirements for your travel documents with any countries you are visiting on your journey.
- Check in:** Please check in at least 90 minutes prior to departure for all flights within Canada, 2 hours prior for flights to the United States and 3 hours prior for all international flights. We suggest onward reservations and flight times are reconfirmed 72 hours prior to departure. Due to heightened security at some airports globally, the airlines' check in time and reconfirmation policies may differ. We suggest you check with your airline for the latest information. Late check-in may result in denied boarding.
- Names:** Please ensure that the title, first name and surname of all travellers on this itinerary correctly match with their Passports for International and Transborder travel or Photo Identification (which includes name, date of birth and gender) for Domestic travel.
